

FEI has awarded to the Italian Federation the European Youth Dressage Championships that will take place in the splendid location of the Horse Riviera Resort Equestrian Center.

LOCATION

Horse Riviera Resort combines the exceptional beauty and efficiency of the sport facilities with the fascinating geographical position of Cattolica on the Adriatic Sea.

The organisation of FEI Event in the Location proposed by the Italian Equestrian Sports Federation and the Horses Riviera Resort C.O. represents a unique opportunity in the international equestrian world which allows the possibility to enjoy competitions at a technically high level, accompanied by the opportunity of the extraordinary seaside touristic location for the young athletes with their families

SPORT FACILITIES

Horses Riviera Resort stretches over an area of about one hundred twenty thousand square meters, on a rural area of the Valconca.

Layout of the Equestrian Center

With a new conception, the Equestrian Center of San Giovanni in Marignano (Rimini) has been designed for horses and riders and every detail has been studied and developed with this philosophy in mind.

Horses Riviera Resort hosts national and international show jumping competitions for athletes of all categories.

There are Six arenas available for athletes: three competition arenas, two warm up arenas and a general exercise arena.

View of the Equestrian Center

Horses Riviera Resort facilities are completed with exclusive services for hospitality in a relaxing and pleasant atmosphere.

Relaxing Area

Stables

Stables of the highest level combined with covered corridors with anti -slip flooring.

The Stables

Avant-garde Design and maximum comfort were the key words that guided the creation of this special "resort" for horses visiting the Horses Riviera Resort.

COMPETITION ARENAS

The Horses Riviera Resort Equestrian Center has been designed to offer athletes an ideal sports facility for national and international competitions, a unique theatre for hospitality and functionality.

The Competition and Training Arenas all have french sand of the latest generation, with a particularly elastic ground that guarantees a perfect situation even in the event of heavy rain.

GRAND FRIX

AQUARIO

ARIETE

GEMELLI

SCORPIONE

TORO

Some Arenas have lighting to enable evening and night competitions.

HOTELS

As for the entire Adriatic Coast, the accommodation availability is vast with the particularly warm and welcoming hospitality of the “Romagna” people.

THE RESTAURANT

The Horses Riviera Resort is also equipped with a self-service that can guarantee over 400 meals a day.

A fast and quality catering able to quickly and locally meet the needs of competitors in particularly frequented events.

The Rivierino Restaurant

Il Rivierino, an exclusive and elegant restaurant with a view of the Acquario indoor field, is another component capable of transmitting high-level gastronomic hospitality and professionalism to guests.

Horse Riviera Resort has a large parking area for cars, vans and campers.
