MEDICAL INFORMATION FORM FOR ARMBANDS

(Art. 523.1, Eventing Rules)

Art 523.1 Medical information

b) Declaration of medical condition
Athletes with medical conditions that may be relevant in the case of a medical emergency are responsible, at every Event when riding, for wearing a medical data carrier* from a system provider able to communicate information at least in English. Alternatively (and at the minimum) a medical armband of good quality can be used. Athletes who chose to wear an armband should download and fill the form available for this purpose on the FEI's website http://www.fei.org/fei/your-role/officials/eventing/forms.

** Medical data carrier (also called "medical identification tag"): small emblem or tag worn on a bracelet, neck chain, or on the clothing, intended to alert paramedics/physicians/ first responders that the wearer has an important medical condition.*

Conditions that are relevant include recent head injury, serious past injuries/surgery, chronic health problems such as diabetes, long-term medications and allergies. If in doubt, the athlete should discuss this with his own treating physician."

ATHLETE PERSONAL INFORMATION	
First name	
Last name	
FEI ID number	

MEDICAL INFORMATION DECLARED

☐ Head injury
☐ Serious past injury or surgery
☐ Other medical condition
☐ Long term medications
☐ Chronic health problems
☐ Allergies

Details of condition/medication:

Date:

Athlete's signature:
